ABOUT US

Welcome to our Community Café, located in the heart of Springbank, Cheltenham. Since opening in April 2021, our café has been entirely run by a team of dedicated volunteers who are passionate about creating a warm and welcoming space for everyone. Whether you're here to enjoy a homemade treat, a freshly brewed coffee, or simply some friendly conversation, you're helping to support something truly special.

Our café isn't just a place to relax - it's a hub of community support. In addition to being open to the public, we host a range of support groups, offering a safe and inclusive environment for people to connect, share, and find help when they need it most. This reflects our commitment to ensuring the café serves as more than a place to eat, but also as a space that uplifts and brings people together.

What makes our café even more meaningful is that every penny raised here goes back into supporting the community. Funds raised directly help sustain our community food pantry, which provides essential items to local families in need. By enjoying a meal or drink with us, you're contributing to this vital work and helping to make a real difference to those who need it most.

If you're inspired by what we do and would like to get involved, we'd love to have you join us. Please speak to one of our team members about volunteering opportunities. Every helping hand makes a big impact, and we're always eager to welcome new faces to our wonderful team.

Thank you for being part of our café's story. Your visit supports a stronger, more connected community, and we're so glad to have you here.

All of our food is made to order and during busy periods there may be a wait for your order. We do offer a pre-order service. If you would like to pre-order, please call the cafe on 01242 237854

Do you know that we cater? If you have an event coming up please talk to us about our hot and cold buffet options.
